May Report  
2018

---

The Wartburg Project is a group of WELS and ELS pastors, professors, teachers, and laypeople who are working together to produce a new translation of the Bible called the *Evangelical Heritage Version*® or *EHV*®.

Translators come, translations go, but the Word of our God endures forever.*

## Progress Reports

For most of this year, our monthly reports will be pretty much the same:

1. We have drafts for the study Bible notes for the entire Old Testament, and all of these drafts are out for comments from reviewers. We expect to allow the rest of this year for this process. Preliminary note gathering is well under way for the New Testament. This progress is updated each month in the “Progress Chart for the EHV Study Bible” (Page 3 of this issue).
2. We are continuing work on maps and supplemental materials. A lot of the maps are ready.
3. We have received additional inquiries about licenses to use EHV in products. The EHV now appears on a line of Christian greeting cards.

By summer we hope to re-organize our list of FAQ’s and our online library to make it more user-friendly.

## Website

See our website ([wartburgproject.org](http://wartburgproject.org)) for more information relating to the EHV. See FAQ #15 on the name EHV. A paper explaining our name is posted in the “Library” section.

Sign up on the “Contact” page to receive free e-reports. Like us on Facebook to receive the latest updates posted there. (The purpose of our Facebook posting is not debate, but we’ve been able to share information with many people very quickly that way (sometimes close to 14,000)).

We continue to be a “purely positive” effort, avoiding debates and controversy. We are just quietly trying our best to translate the Bible “to spread its light from age to age.” So far, so good! God has richly blessed us. To God be the glory and praise for all of his blessings!
