

The Wartburg Project

December 2020

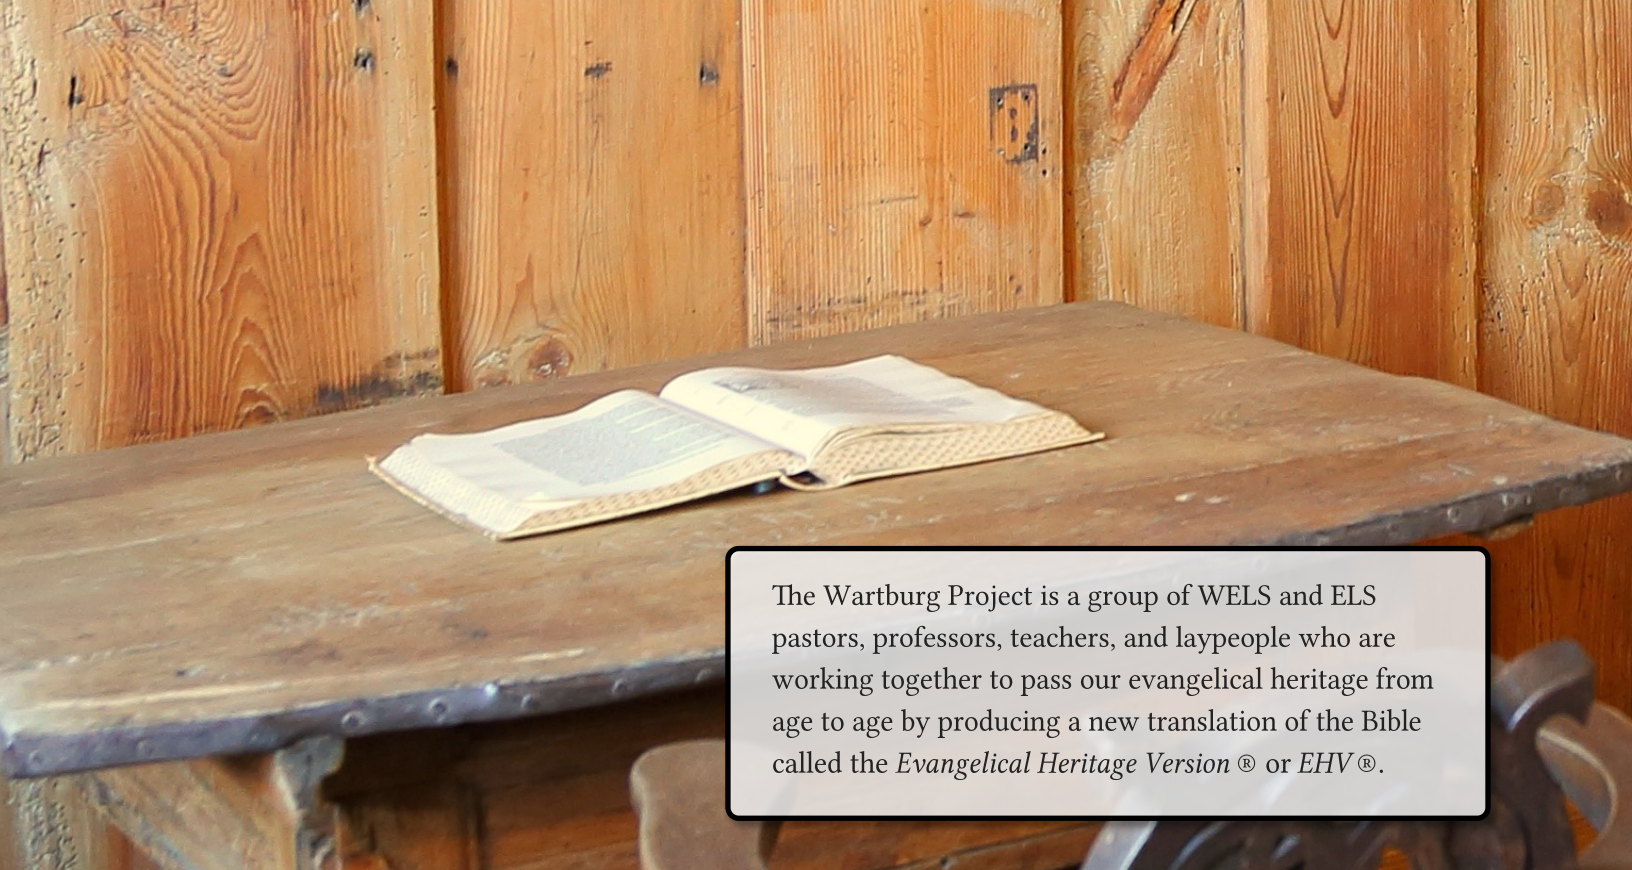

*Grass withers, flowers fade, but the Word of our God endures forever.
Translators come, translations go, but the Word of our God endures forever.*

CHRISTMAS

She gave birth to her firstborn son, wrapped him in
swaddling cloths, and laid him in a manger.

Luke 2:7 (EHV)

The Wartburg Project is a group of WELS and ELS pastors, professors, teachers, and laypeople who are working together to pass our evangelical heritage from age to age by producing a new translation of the Bible called the *Evangelical Heritage Version*® or *EHV*®.

Print Study Bible

We have completed our work (set-up and editing) on the files for the EHV print Study Bible for Northwestern and it is in their hands for publication. We expect it by fall of 2021.

Christmas Shopping

Besides the various editions of the EHV: the basic hardcover print Bible (for pews and schools) and the deluxe print edition from Northwestern Publishing

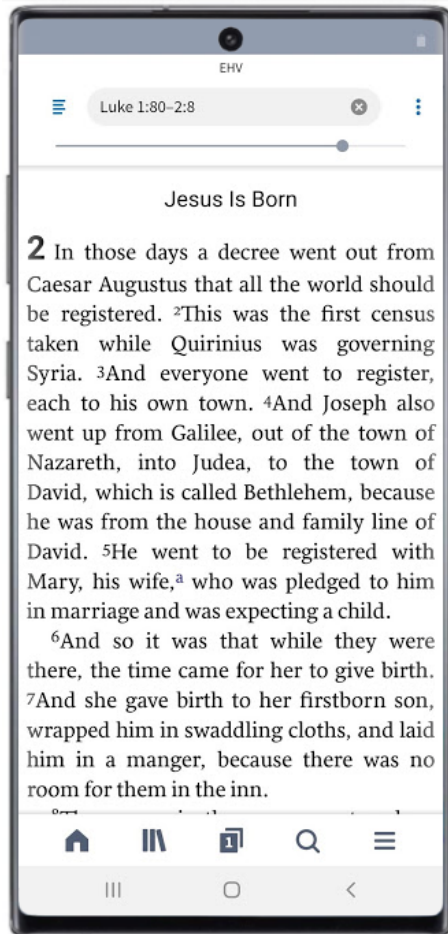

House; and electronic study Bibles from the Microsoft Store, you may want to include other products from NPH on your Christmas shopping lists, such as volumes of the People's Bible commentary series and the Bible Discovery series. Though these series are not based on the EHV text, readers of the EHV will find them informative.

This Month's Articles

For the next year, the monthly articles will focus on samples of the notes of the EHV study Bible. They will not be in consecutive numerical order but may be grouped by topic or season.

1. [EHV Print Study Bible, Sample 2: The Christmas Story](#)
2. [EHV Print Study Bible, Sample 3: The Wisemen](#)
3. [The Christmas Story from Five Versions](#)

The EHV Study Bible for Smartphones

The EHV Bible on Android

The two EHV Study Bibles, sold as apps in the Microsoft Store, were designed to work on Windows computers. A programmer was working on an Apple/Android version but work was halted by a health situation that came up in his family. But the good news is that right now there already is a good program/app that works for Apple computers and for smartphones (iPhone and Android). It's called the LOGOS system. In this system, which many pastors have, the EHV Bible text and the EHV study Bible notes with maps and color pictures are two separate purchases, but the total cost for the complete study Bible is less than \$35.

This FREE mobile app will work on any smartphone. It will show all of the EHV Bible text, notes, maps, and color pictures!

EHV Study Notes

If you already have the LOGOS EHV text and study Bible notes on your computer, you do not need to make another purchase of the EHV texts to use them on your phone. You just need to get the app and link the devices. The LOGOS system has hundreds of other texts which can be purchased in packages or individually.
