

The Wartburg Project

*Grass withers, flowers fade, but the Word of our God endures forever.
Translators come, translations go, but the Word of our God endures forever.*

You may be a little late, but that's alright. Order EHV materials for the new school year and Fall Bible classes.

Ordering Information

Information about ordering these products from NPH and the other vendors can be found on our site wartburgproject.org at the opening page and in the bookstore.

II. SPREADING RIPPLES

The EHV is trying to spread out in wider circles. This month we received a request for permission to use the EHV in a publication by Hendrikson Publishing, so EHV is becoming more visible. We are happy to grant such permissions. Up to 1000 verses can be used in any medium without permission.

Evangelism Materials

Last month we posted evangelism brochures which make use of the EHV. They were produced by a congregation in Racine, which wished to share them with others. We have recently given permission for other works of this type. If you have produced evangelism materials using the EHV that you would like to share with others, send us information about them, and later this year we will produce a listing and catalog of such materials.

[About That We May Believe](#) 

The Wartburg Project is a group of WELS and ELS pastors, professors, teachers, and laypeople who are working together to pass our evangelical heritage from age to age by producing a new translation of the Bible called the *Evangelical Heritage Version*® or *EHV*®.

V. OFFERINGS TO THE WARTBURG PROJECT

We have received recent questions about how to make donations to the Wartburg Project. We have sufficient funds to complete the Print Study Bible and Condensed Bible, but we have ongoing expenses for expanding, upgrading, and protecting our website with its library and FAQ sections, and for our Academia site, which reaches a lot on international users. As noted above, we are trying to send gift study Bibles to teachers in Africa and Asia. Another way to continue to support the Wartburg Project is to buy gift copies of the print EHV's or of the electronic study Bibles to present to family, friends, called workers, schools, prisons, and other institutions.

See our website (wartburgproject.org) for more information relating to the EHV. See FAQ #15 on the name EHV. A paper explaining our name is posted in the “Library” section.

Sign up on the “Contact” page to receive free e-reports. Like us on Facebook to receive the latest updates posted there. (The purpose of our Facebook posting is not debate, but we have been able to share information with many people very quickly that way (sometimes more than 10,000). Many people are downloading our captioned pictures.
